The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes.

Double Cup Love: On the Trail of Family, Food, and Broken ...

Double Cup Love is a memoir-style story about Eddie Huang's journey of self-discovery as his passions converge, stirring a need in him to reconnect with his culture and visit China. The narrator makes the memoir. My previous review of Norm MacDonald's book is a perfect example of this.

Double Cup Love, Eddie has gotten the nose of the plane up, so I looks like he might avoided disaster. I enjoy his frank style and telling things about his life and thoughts that few people would have the balls to do. If I ever make it to New York, I'm stopping at his restaurant and having Chengdu specialty, duck intestine. ...
