Making Business Partnerships Work: 5 Steps to Success. Posted on May 19, 2015. July 13, 2017. by Beverly Flaxington. 19. May. Business partnerships are in many ways similar to marriages. In fact, they require the same, if not even greater, amount of trust, shared values and strong commitment to a balanced, cordial and long-lasting relationship. In both cases it is crucial for potential partners to learn as much as possible about one another before signing off on the deal; partnerships really ...

Making Business Partnerships Work: 5 Steps to Success

You and your partner must share the same core values, goals and work ethic if you want the business to succeed. 2. Choose a partner with complementary skills. When you and your business partner have different strengths, you'll double the power of your startup team right off the bat.

An effective business partner is "the one who makes connections between people and between issues," Broers said. "They will be sitting in the middle of the table brokering and linking up points, adding an overview and the financial angle." Influencing and communication skills are particularly important for making these connections.

5 behaviours for effective business partnering

Making partner in a Big 4 firm means, in the eyes of your peers, you have really made it. You have been given the biggest badge of approval for your professional competence. The reality is often something slightly different. You have to work many, many long hours and sacrifice a huge amount to make it to partner.
