Need a part for an old New Idea corn picker? Country Machinery probably has it. If they can't find one at a price that makes sense, they might make it. "If the price for new parts is too high, we just make them," says Daniel King, Country Machinery. "We make shields, rebuild husking rolls and make 11, 13, and 15-in. f...

The picker was grabbing the stalks and slamming them out the bottom. Corn was flying up the elevator and into the wagon. I only had to stop 2 times in the last 2 acres to clear jams in the picker. Thanks to everyone for all the help with my picker. I ended up with a barn full of corn to feed the pigs.
