“Damon Young’s *The Art of Reading* is a brilliant, wide-ranging exploration of the nature and value of reading, a serious philosopher’s serious game with literature. Witty and graceful it does what it sets out to do, to turn black text into an illuminated theatre of mind, heart and consciousness as it passes through the teasing virtues and vices of its main headings.

## **How to Read A Book: Master the True Art of Reading**

First looking at the development of printed books and the simultaneous emergence of the modern figure of the artist, The Art of Reading appraises works by the many great masters who took inspiration from the printed word. Bringing together more than one hundred paintings that include books as part of their subject matter, this lively and companionable survey examines how the book became the single most ubiquitous feature of our cultural lives and, in large measure, of everyday existence.

The premise, though, is straightforward. The art of reading is empowered by disciplines that the reader must bring to each work: curiosity, patience, courage, pride, temperance, and justice. Young cites examples from literature, mostly twentieth- and twenty-first century works, of how these disciplines are applied.
