Teaching to Change the World is an up-to-the-moment, engaging, social justice-oriented introduction to education and teaching, and the challenges and opportunities they present. Both foundational and practical, the chapters are organized around conventional topics but in a way that consistently integrates a coherent story that explains why schools are as they are.

Teaching to Change the World | Taylor & Francis Group

Teaching to Change the World by Lauren Anderson

Not every Arizona high schooler gets a chance to visit Alaska to study climate change. In the summer of 2017, 23 lucky students flew with their teacher, Clarissa Toupin, to the city of Homer to test new teaching tools developed at the University of California, Berkeley, to help students understand the complex processes now altering our world and irreparably changing Earth's climate.

Teaching tools show climate change is just one aspect of a ...

Zendaya, the new feminist icon, tells Timothée Chalamet that she is 'educating' her nieces so they can change the world. Zendaya tells her Dune co-star Timothée Chalamet in her December 2020 cover story for Elle about the hope and joy that younger generations have brought her this year.
