Live in Milan, Italy - 2002 The Art Of Falling Apart. ~~The Art Of Falling Apart~~

The Art of Falling Apart is the second full-length album by the English synthpop duo Soft Cell, released in 1983. The album reached No. 5 on the UK charts, although its two singles "Where the Heart Is" and the double A-sided single "Numbers" / "Barriers" both failed to reach the Top 20, breaking the duo's run of five consecutive Top 5 singles in the UK, reaching No. 21 and No. 25, respectively.

of the duo's feelings and torment in 81-82. For starters, the duo absolutely hated their star song (Tainted love) at this point. There were also tensions with the record company about what had to be included in the record, and what could not be included.

lose the one thing that was holding life together — her job.». Alan Johnson, New Statesman, Best Books of the Year, 2018.

~~The Art of Not Falling Apart by Christina Patterson~~

The Art of Not Falling Apart is a highly-reviewed book (voted one of New Statesman's Best Books of the Year) by writer and journalist Christina Patterson. If you feel that life has thrown you one-too-many-curveballs, this book is your rainy day read! Christina was a journalist for a top broadsheet newspaper, when she was unceremoniously let go, at the worst possible time, due to other ...

While I easily could have devoured this book in one sitting I chose to read it in chunks over the course of a few days to better make it last. The author's style of writing is wonderful. I've found a lot of books proclaiming to be similar to TAoNFA tend toward the pompous but when reading this book I felt the author talking to me.

~~The Art of Not Falling Apart by Christina
Patterson~~

Soft Cell Lyrics. "The Art Of Falling Apart". The art of falling apart. Falling through at the seams. Living life in a dream. Even smiles make a lie. And I smile all the time. I'm skilled at the art. Of falling apart.

~~Soft Cell - The Art Of Falling Apart
Lyrics | AZLyrics.com~~

Journalist Christina Patterson realised that
