Curriculum is everything that happens within the school, including extra class activities, guidance, and interpersonal relationships. Curriculum is that which is taught both inside and outside of school directed by the school. Curriculum is everything that is planned by school personnel.

Introduction to Curriculum - homeofbob.com

Curriculum Development The term curriculum originates from the Latin meaning " race course " . The term has been expanded and today is more widely used in education to mean "a plan for a sustained process of teaching and learning" (Pratt, 1997, p. 5). There are numerous formats for curriculum models.
